

The Warrell Corporation

A Leader in Confectionery Co-Manufacturing

March 31, 2009

Open letter to Warrell Customers:

Subject: Pistachios potentially contaminated with Salmonella

We are manufacturers and distributors of candy and snacks selling our products under the following brands:

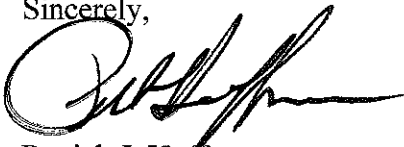

Katherine Beecher Candies
Manchester Farms Products
The Warrell Corporation

The Warrell Corporation has not sourced any pistachios from Setton Farms since or prior to January 1, 2007.

We are manufacturers of candy and snacks and have processed snacks with pistachios at our plant. We have reviewed pistachio shipments from other suppliers received by The Warrell Corporation and all have been certified by an independent lab to be Salmonella free.

Please call us with any questions that you or your customers may have.

Sincerely,

Patrick J. Huffman
President
